How to navigate in programs

Click **Back** to go back to **My Learning Page**

Click the module titles(s) to view the item(s) contained within

The screenshot shows a program page for 'CORE: Experienced Supervisors Plant (CORE_ Experienced Supervisors)'. It features a 'Back' button at the top left, a progress indicator for 'Open-ended' at 24.39%, and a 'Program Modules' tab. Under 'Program Modules', there are three sections: 'Week 1: Health and Safety Introductory Topics' (with a green checkmark), 'Assessment: Health and Safety Introductory Topics' (with a green checkmark), and 'Week 2: Labour Relations Introductory Topics' (with a dropdown arrow). Under 'Week 2', there are two items: 'Introduction to Labour Relations (pre-reading)' (with a 'Completed' status and a 'Review Content' link) and 'Introduction to Labour Relations (online)' (with a 'START COURSE' button). Annotations include a red exclamation mark pointing to the 'Back' button, a blue circle '5' pointing to the module titles, a red exclamation mark pointing to the progress indicator, a red exclamation mark pointing to the 'Review Content' link, and a blue circle '6' pointing to the 'START COURSE' button.

See the various **progress indicators** gradually appear as you go through the content

Clicking on the **Review Content** or the greyed out **Course Name** allows you to re-launch the course for review

You can launch content directly from within the modules tab
